

1. K-LOVE serves me as a resident of Carpentersville, IL. I listen to it daily as do my wife and two young children.
2. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, my family would miss the Positive and Encourage programming provide by our local K-Love station.
3. I believe that the service provided by K-LOVE is in the public interest because it provides a SAFE place for entire families to listen to encouraging music, National news and weather as well as Local current events.
